Calendar of Inquisitions Post Mortem and other Analogous

Inquisitions post mortem are the single most important source for the history of medieval English landed society, and are indispensable to social, economic, and political historians of the later middle ages; they were compiled with the help of jurors from the area, as a county-by-county record of a deceased individual's land-holdings and associated rights, where the individual held land directly of the crown.

Calendar of Inquisitions Post Mortem and other Analogous

calendar of inquisitions post mortem for Richard III: an obvious gap in what is known, but also an act of munificence to the historical world everywhere. Calendaring IPMs in huge volumes that cover only five years each and cost £195 to buy is no longer practical. The CIPMs
