Available from Solano Press The most comprehensive treatment of local government finance in any state that I have ever seen. This guide will prove useful to elected and appointed local government officials, business leaders, reporters, students, faculty, and others who are struggling to understand the highly complex world of local government finance in California.

The California Local Government Finance Almanac

Parts of this article (those related to section Congressional representation) need to be updated. Please update this article to reflect recent events or newly available information. This article is part of a series on the politics and government of California

Politics of California - Wikipedia

The California State Legislature is the state legislature of California. It is a bicameral body consisting of the lower house, the California State Assembly, with 80 members, and the upper house, the California State Senate, with 40 members.. Both chambers of the California legislature have been dominated by the Democratic Party since 1959 except in 1969 to 1971 when the Republican Party held ...
