Today, Blackjack is the one card game that can be found in every American gambling casino. As a popular home game, it is played with slightly different rules. In the casino version, the house is the dealer (a "permanent bank").

Blackjack – Card Game Rules | Bicycle Playing Cards

Cards in multi-deck games are usually dealt face up, and cards in single- and double-deck games are typically dealt face down. One of the dealer's cards is always face down. This is known as the hole card, and the dealer does not show it to anyone until every player is done acting unless it is a blackjack.
