Crafting Unforgettable Characters - K.M. Weiland

After identifying possible character careers, students investigate the classified sections of local newspapers in order to select possible job prospects for their characters. The students cut out the ads and rewrite them in sentence form, spelling out any abbreviations.

CAREERS FOR CHARACTERS - ReadWriteThink

In addition to a character's age, history, and personality, their job (or lack of a job), career, and career aspirations are also a vital part of the character you are writing. While a job does not necessarily define a character, it can certainly affect their economic status, their lifestyle, everyday experiences, and outlook on life.

A (Somewhat) Comprehensive List of - in my humble opinion

Giving your characters problems is the key to making them believable and compelling to a reader. A protagonist with no problems is unrealistic, and thus unbelievable.

The Key to Making your Characters Believable - A.C. Crispin

1. Identify reasons of your last three actions that you are not happy with (not following through with a goal) and brainstorm better alternative ideas for the future. 2. Ask a trusted and wise friend to critically appraise your judgment on your last three significant actions. 3. Play devil's advocate on an issue that you have strong opinions about. 4.
