Political and economic rapprochement is taking place between Russia and China in a number of fields: energy, arms production, trade in national currencies and strategic projects in transport and supporting infrastructure.

Russia and China in the 21st century. Moving towards

Unlike previous books, *China and the 21st Century Crisis* analyses how the political and economic imbalances in China will exacerbate system collapse, and how this could happen much sooner than we imagine, possibly within a decade. Li writes from a Marxist and ecological perspective, and points out that the limits to capital are fast approaching.

China and the 21st Century Crisis [PDF] - bibliotikus.net

among the three concerned parties (China, the United States, and Taiwan). China threatened, China postured, and China ran political campaigns against the United States and Lee. But the questions of military capability, security policy, and intent are rarely treated seriously. This book is a serious look at the armed forces of China and how they will evolve.

The Chinese Armed Forces in the 21st Century

China: The 21st Century Superpower? Lecture, Casa Asia, Barcelona, 13 September 2005 by Rosita Dellios
