Creating a Popular Romance Collection in an Academic Library

Thank you so much for this list I am constantly looking for books that are about people my age. It seems like
there are a ton of teen books and a ton of books about people over 30 but hardly any for people between the
ages of 20-30.

Popular College Romance Books - Goodreads

that public libraries will have research-worthy collections of popular romance novels just is not realistic in
these days of shrinking budgets, public demand, and a now longstanding collection development philosophy
(Baltimore County Public Library).

Looking for college romance books? Youâ€™ve come to the right place! What do I mean when I say college
romance books? Simply that itâ€™s a romance novelâ€”where the romantic storyline is the main plotâ€”that
takes place primarily in a college/university setting with at least one main character who is a college student.

You might be wondering if romance books set in college are the same as new ...
