1 Article 22. Licensure Act for Speech and Language Pathologists and Audiologists. Â§ 90-292. Declaration of policy. It is declared to be a policy of the State of North Carolina that, in order to safeguard the public health, safety, and

Article 22.

Autism is a developmental disorder characterized by difficulties with social interaction and communication and by restricted and repetitive behavior. Parents usually notice signs during the first two or three years of their child's life. These signs often develop gradually, though some children with autism reach their developmental milestones at a normal pace before worsening.
