A lie is an assertion that is believed to be false, typically used with the purpose of deceiving someone. The practice of communicating lies is called lying, and a person who communicates a lie may be termed a liar. Lies may serve a variety of instrumental, interpersonal, or psychological functions for the individuals who use them.

By now, it seems patently obvious that blacks are a much more primitive, even bestial race (), probably on the order of 200,000 years less evolved than the Caucasian race (depending on how much stolen White genetics a few have). Although still different, I consider the hard-working, law-abiding and clean Asians to have more in common with White people than blacks, by far.
