### **Community-Based Parent Support Programs**

Introduction. Community-based parent support programs differ from traditional human services parenting programs in both form and function 1 For the purposes of this review, parent support programs are defined as community-based initiatives designed to promote the flow of resources and supports to parents that strengthen functioning and enhance the growth and development of young children.

Alternative Dispute Resolution (ADR) Before Petitioning to Modify. If you have an order of joint legal custody or joint physical custody then most likely your order contains provisions that tell you what type of dispute resolution you and the other parent must try to use before you can petition the court to modify your custody order.

In family law and public policy, child support (or child maintenance) is an ongoing, periodic payment made by a parent for the financial benefit of a child (or parent, caregiver, guardian, or state) following the end of a marriage or other relationship. Child maintenance is paid directly or indirectly by an obligor to an obligee for the care and support of children of a relationship that has ...

A parent is a caregiver of the offspring in their own species. In humans, a parent is the caretaker of a child (where "child" refers to offspring, not necessarily age). A biological parent is a person whose gamete resulted in a child, a male through the sperm, and a female through the ovum. Biological parents are first-degree relatives and have 50% genetic meet.

### **Parent - Wikipedia**

Yes. Either parent may open a case with the Division of Child Support (DCS). In most cases, DCS will refer the case to a prosecuting attorney for parentage establishment through the court.
