

press versus government constitutional pdf

Freedom of the press or freedom of the media is the principle that communication and expression through various media, including printed and electronic media, especially published materials, should be considered a right to be exercised freely. Such freedom implies the absence of interference from an overreaching state; its preservation may be sought through constitutional or other legal ...

The 2008–2009 Canadian parliamentary dispute was a political dispute during the 40th Canadian Parliament. It was triggered by the expressed intention of the opposition parties (who together held a majority of seats in the House of Commons) to defeat the Conservative minority government on a motion of non-confidence six weeks after the federal election on October 14, 2008.
