

problem solving in groups pdf

Definition. The term problem solving means slightly different things depending on the discipline. For instance, it is a mental process in psychology and a computerized process in computer science. There are two different types of problems, ill-defined and well-defined: different approaches are used for each.

Problem solving - Wikipedia

3 Collaborative problem solving (CPS) is a critical and necessary skill used in education and in the workforce. While problem solving as defined in PISA 2012 (OECD, 2010) relates to individuals working
