In the early 1950s, St. Louis began construction of the Pruitt-Igoe towers and other high-rises to house the African American poor. Pruitt had been intended for blacks and Igoe for whites, but by the time the projects opened in 1955â€“56, few whites were still interested in urban public housing; there were so many inexpensive options for them in south St. Louis and in the suburbs.

In public relations and communication science, publics are groups of individual people, and the public (a.k.a. the general public) is the totality of such groupings. This is a different concept to the sociological concept of the *Ã–ffentlichkeit* or public sphere. The concept of a public has also been defined in political science, psychology, marketing, and advertising.
