

### **public relations issue crisis pdf**

Public relations (PR) is the practice of managing the spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations may include an organization or individual gaining exposure to their audiences using topics of public interest and news items that do not require direct payment.

### **Public relations - Wikipedia**

Public relations can play a critical role in preparing spokespersons for handling questions from the news media. The media relations element of public relations is a highly valued skill in crisis management.

In public relations and politics, spin is a form of propaganda, achieved through providing a biased interpretation of an event or campaigning to persuade public opinion in favor or against some organization or public figure. While traditional public relations and advertising may also rely on altering the presentation of the facts, "spin" often implies the use of disingenuous, deceptive, and ...
