02 | Lutron Lutron® light control: Maximize energy savings Sources can be found on page 17. Total Light Management can save more electricity than any other building system. Because lighting uses more electricity than any other building system,3 Lutron lighting control gives building owners and facility managers the power to save more electricity

Total Light Management - Lutron Electronics

Quantum computing is computing using quantum-mechanical phenomena, such as superposition and entanglement. A quantum computer is a device that performs quantum computing. Such a computer is completely different from binary digital electronic computers based on transistors and capacitors. Whereas common digital computing requires that the data be encoded into binary digits (0), each of which is ...
