This is one of the problems with Spring, it is a kitchen sink framework. Often, there are better frameworks for a particular behavior. However, because developers are already using Spring for DI, they use Spring for

everything and many of those implementations are clunky and/or complex.

Moving from the US to the UK. Last Modified: 20 November 2001 This page describes, in fairly serious detail, the process of moving from the US to the UK. I have written it because while I was embroiled in the process of moving to the UK, information posted on the web by other people proved indispensable.
