

the penguin guide to pdf

The Penguin Guide to Jazz is a reference work containing an encyclopedic directory of jazz recordings on CD which are currently available in Europe or the United States. The first nine editions were compiled by Richard Cook and Brian Morton, two well known chroniclers of jazz resident in the United Kingdom.

The word penguin first appears in the 16th century as a synonym for great auk. When European explorers discovered what are today known as penguins in the Southern Hemisphere, they noticed their similar appearance to the great auk of the Northern Hemisphere, and named them after this bird, although they are not closely related.. The etymology of the word penguin is still debated.
