

the positive discipline for pdf

School discipline is the actions taken by a teacher or the school organization towards a student (or group of students) when the student's behavior disrupts the ongoing educational activity or breaks a rule created by the teacher or the school system. Discipline can guide the children's behaviour or set limits to help them learn to take care of themselves, other people and the world around them.

School discipline - Wikipedia

Effective discipline is important for maintaining a positive atmosphere in the classroom and supporting students' learning. Teaching strategies that support positive behaviours begin by making expectations clear, teaching children how to meet them and reinforcing children's appropriate behaviour.
