Rothbard wrote of this book: "Frank's final flowering was his last ideological testament, the brilliantly written The Rise and Fall of Society, published in 1959, at the age of 72." One reason it was overlooked is that it appeared after the takeover of the American right by statists and warmongers.

"The Rise and Fall of American Growth makes use of economic history to argue that Americans should expect the rate of economic growth to be, on average, slower in the future than it has been in the recent past. Gordon is the most important exponent of the pessimistic view working today and this is an exceptional book."
