certainly get rich; for the science herein applied is an exact science, and failure is impossible. For the benefit, however, of those who wish to investigate philosophical theories and so secure a logical basis for faith, I will here cite certain authorities.

"The Science of Getting Rich"

understanding of the "Science of Breath." Whole schools of Oriental Philosophy have been founded upon this science, and this knowledge when grasped by the Western races, and by them put to the practical use which is their strong point, will work wonders among them. The theory of the East, wedded to the practice of the West, will produce worthy offspring.

SCIENCE OF BREATH - The Meaning(s) of Life

Science is a way of discovering what's in the universe and how those things work today, how they worked in the past, and how they are likely to work in the future.
