A silent film is a film with no synchronized recorded sound (and in particular, no audible dialogue). In silent films for entertainment, the plot may be conveyed by the use of title cards, written indications of the plot and key dialogue lines. The idea of combining motion pictures with recorded sound is nearly as old as film itself, but because of the technical challenges involved, the ...

Silent film - Wikipedia

Silent comedy is a style of film, related to but distinct from mime, invented to bring comedy into the medium of film in the silent film era (1900s–1920s) before a synchronized soundtrack which could include talking was technologically available for the majority of films. Silent comedy is still practiced, albeit much less frequently, and it has influenced comedy in modern media as well.

Narcissists will invoke the silent treatment for days, weeks, and longer with no explanation as a way to control and demoralize their partners. Narcissists are fond of using the Silent Treatment as a cruel (but not unusual) punishment for you doing nothing wrong at all and, from experience, I can tell you that the affect of this method of passive-aggressive control is sheer torture.
