A moving walkway or moving sidewalk (American English), also known as an autowalk or as in British English as a skywalk, horizontal escalator, travolator, travelator, or travellator, is a slow-moving conveyor mechanism that transports people across a horizontal or inclined plane over a short to medium distance. Moving walkways can be used by standing or walking on them.

H. G. Wells' *The Shape of Things to Come* is a 1979 Canadian science fiction film. Although credited to H. G. Wells, the film takes only its title and some character names from *The Shape of Things to Come*, Wells' speculative novel from 1933. The film's plot has no relationship to the events of the book. The book predicts events such as a Second World War and the collapse of social order until a ...
