

the university globalization central pdf

Globalization or globalisation is the process of interaction and integration among people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology. With increased global interactions comes the growth of international trade, ideas, and culture. Globalization is primarily an economic process of interaction and integration that's ...

Globalization - Wikipedia

Central Europe is the region comprising the central part of Europe. It is said to occupy continuous territory that are otherwise conventionally Western Europe, Southern Europe and Eastern Europe. The concept of Central Europe is based on a common historical, social and cultural identity. Central Europe is going through a phase of "strategic awakening", with initiatives such as the CEI, Centrope ...
