Purchased this book for my granddaughter as a gift. She was in third grade at the time and just beginning to ask serious questions about God, religion and the like. This book was a great introduction to religions and other cultures for her. Nicely illustrated; she had no problems with reading the text.

This book is wonderful. It inspired a young boy with optimism for the future while introducing some quite complex ideas. So now, when someone tells me they've found out about this new thing , such as the Space Elevator, I'll often shrug and say "That was in the Usborne Book of the Future years ago."
