

the world without end pdf

The world is the planet Earth and all life upon it, including human civilization. In a philosophical context, the "world" is the whole of the physical Universe, or an ontological world (the "world" of an individual). In a theological context, the world is the material or the profane sphere, as opposed to the celestial, spiritual, transcendent or sacred spheres.

World War I (often abbreviated as WWI or WW1), also known as the First World War or the Great War, was a global war originating in Europe that lasted from 28 July 1914 to 11 November 1918. Contemporaneously described as "the war to end all wars", it led to the mobilisation of more than 70 million military personnel, including 60 million Europeans, making it one of the largest wars in history.

Every day too many men and women across the globe struggle to feed their children a nutritious meal. In a world where we produce enough food to feed everyone, 821 million people "one in nine" still go to bed on an empty stomach each night. Even more "one in three" suffer from some form of malnutrition.

Americans have been blessed as a nation and as a people. The USA is the superpower today and is leading the world. This has been the case since the atom bombs were dropped to end World War 2 and the Bretton Woods system of monetary management established the rules for commercial and financial relations among the world's major industrial states.
