The Worst Witch was an extraordinary book. There was suspense. There was a mean teacher. There was a mean girl. There was a nice principal, and there was Mildred Hubble, who can't even ride her broom without crashing. There was Mildred's best friend, Maud, and so much more. I think it deserves 5 stars. I can't wait to read another Worst Witch Book.

We also have a lot of special sound effects. Look for this green music symbol to see which scenes in the play have loud music / sounds.
