The work of Roman Catholic nun, missionary, and saint Mother Teresa received mixed reactions from prominent people, governments and organizations. Her practices and those of the Missionaries of Charity, the order she founded, were subject to numerous controversies. These include objections to the quality of medical care they provided, suggestions that some deathbed baptisms constituted forced ...

### **Improving Mother/child Interaction To Promote Better**

A mother is the female parent of a child. Mothers are women who inhabit or perform the role of bearing some relation to their children, who may or may not be their biological offspring. Thus, dependent on the context, women can be considered mothers by virtue of having given birth, by raising their child(ren), supplying their ovum for fertilisation, or some combination thereof.
